PRINTBRISK

ARTWORK TEMPLATE

Windline Outdoor Banner Stand

Windline 800mm x 2000mm

01 Match your order

Check the exact size, orientation and configuration before designing. This pack is for the product named above.

02 Use the original-size guide pages

The following guide pages retain their production dimensions and scale. Follow the scale printed on each guide. Do not fit them to A4 or enlarge them automatically.

03 Extend backgrounds into bleed

Follow the bleed, cut, finishing and safe-area lines on the guide. Keep logos and important wording inside the safe area. Hardware pockets and hidden areas are not visible print space.

04 Export your artwork only

Remove guide lines and instructions from your print file. Supply a print-ready PDF with embedded images and outlined fonts. Screen previews are not colour proofs.

05 Need artwork produced?

Add the design and artwork service for £45 + VAT (£54 including VAT) per product design. We will email a proof for approval before printing.

This template is setup at 20% scale of full size.

Artwork should be supplied:

- With fonts outlined
- As PDF (preferred), AI or EPS

The magenta dots indicate where the eyelets will be placed.

Please remove all guides and marks before supplying your print-ready file(s).

The inner margin indicates approximately where the welded hem area will be. We recommend only using this as a quiet area for backgrounds.

Please make full use of the bleed area and include this along with crop marks when exporting your print-ready file(s).
